**Subject:** MARKHAM VILLAGE LANES METAL ROOF AND HERITAGE MARKHAM

Hi, Sheila:

I am writing this email to request a deferral of this matter to full council in order to provide me an opportunity to speak to council members prior to them casting their votes on this issue. As you know, Markham Village Lanes has been suffering from a significant and chronic vacancy for many years. Due to the events that have occurred in the 90s and in the last couple of years, any negative publicity will cause further and irreparable harm to this property. I have been scheduled to be away from Monday Feb.11 through Feb. 24. I would appreciate if you could schedule this matter before the council in the month of March.

I, once again, thank you very much for taking your time and returning my call.
