Dear Lucy,

To follow up on our telephone conversation of Friday, September 28. The international day at Town Centre Montessori Private School is a celebration of multiculturalism in the school. Students wear a traditional clothing from their country of origin or their parents country of origin and bring in traditional food dishes to share with their classmates. This is done in our Pre-School, Elementary and High School divisions.

If I can be of any further assistance, please let me know.

Sincerely,

Thank you Ms. Nanninga ! I apologize for the delay, however I needed to finalize my dates.

The school is looking to have the week of February 18 – February 22 declared Montessori Education Week.

Our second date request is:

Thursday, March 6 – International Day (whereby we celebrate the cultural similarities and differences (and custom foods) of our student population)

Should you require any further information, please do not hesitate to call.

Sincerely,

## PROCLAIM, PARTICIPATE AND REGISTER FOR WASTE REDUCTION WEEK IN CANADA, IN YOUR COMMUNITY

Dear Administrator,

The Recycling Council of Ontario (RCO) is pleased to send you this kit to help you celebrate Waste Reduction Week in Canada (15-21 October 2007). The WRW kit contains a poster and postcard. You can download many other free, user-friendly tools and resources that will help you recognize and plan WRW activities from our site:

<http://www.wrwcanada.com/municipalities.htm>

Here you will find:

- Sample community proclamation letter
- sample ads and public service announcements
- waste audit and assessment tools
- sample waste reduction action plans

You can also get ideas for activities at <http://www.wrwcanada.com/pastactivitiesM.htm>

Register your municipality or proclaim WRW at: <http://www.wrwcanada.com/>

You can use WRW to highlight your current and forthcoming waste reduction initiatives and get your community members together to reduce waste in tangible and interesting ways. The average Ontarian produces more than 2 kg of solid waste a day. That's more than most elsewhere in the world, and way too much for our landfills.

***Fifty two municipalities proclaimed WRW in 2006. With your help we can double that number this year!***

The Recycling Council of Ontario recognizes the vital role municipalities play in reducing Ontario's waste. We look forward to celebrating Waste Reduction Week with you. If you would like more information about Waste Reduction Week or any of RCO's other programs, please visit our website <http://www.rco.on.ca> or give us a call at 416.657.2797.

With Warm Regards,

Jo-Anne St. Godard,

## MARKHAM PUBLIC LIBRARIES

September 28, 2007

Ms. Sheila Birrell  
Town Clerk  
The Corporation of the Town of Markham  
101 Town Centre Blvd.  
Markham, ON L3R 9W3

Dear Ms. Birrell,

Attention: Mayor Frank Scarpitti and Members of Council

Subject: Proclamation of Ontario Public Library Week, October 15 - 21, 2007

The Library Board would like to request Council to proclaim the week of October 15 – 21, 2007 as Ontario Public Library Week in Markham. This year's theme is "Libraries: The world at your fingertips", a chance for the community to discover the worlds of fun and knowledge at their fingertips through libraries.

Each year, during the third week of October, public libraries across the province celebrate Ontario Public Library Week. Ontario Public Library Week was first announced by the province in 1985, and has since become the annual focus for promoting library services. Ontario Public Library Week 2007 will be twice as much fun since it coincides with Canadian Library Month.

A strong library system is the cornerstone of a strong community. Ontario Public Library Week recognizes the important contribution Ontario's public libraries make to education, literacy and life-long learning in Ontario communities.

In Markham, our Library continues to be an important resource for all, offering materials in various formats and languages including books, large print materials, talking books, videos, DVDs, music CDs, CD-ROM software, heritage documents, quality online databases, and public access to the Internet.

2007 has been an exciting and productive year at Markham Public Libraries. We are "renewing for the future" at Markham Village Library where renovation and expansion near completion and plans are now underway for reopening. New service principles will be introduced to improve customer access, make our collections easier to browse and to enhance the library experience. Planning has also begun on a new library in Markham East. We look forward to working with the community to develop this exciting new library.

Library staff look forward to celebrating Ontario Public Library Week with the launch of new services and a variety of programs and contests.

Thank you for your consideration of this request and for your continued support of the Markham Public Libraries.

Sincerely,

Catherine Biss  
Chief Executive Officer/Secretary-Treasurer  
Town of Markham Public Library Board

## ONTARIO PUBLIC LIBRARY WEEK

Whereas, the library offers access to information

Whereas, the library supports personal growth,  
economic renewal and quality of life

Whereas, we recognize that the board and staff of the  
Markham Public Libraries  
provide a vital service to our community

Therefore I,

---

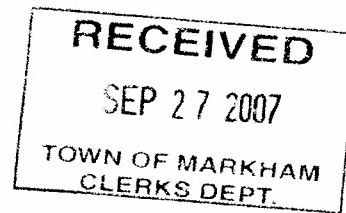

**FRANK SCARPITTI**  
**Mayor of Markham**

**Proclaim**

**October 15 - 21, 2007**  
to be

**Ontario Public Library Week**

*and I encourage every person to use the Library  
this week and throughout the year.*
