Safe Streets, Nice Neighbourhoods

Our Mission

Change Driver Behaviour by Empowering the public to take responsibility for road safety.

Objectives

- **Efficiently manage and respond to the large number of citizen traffic complaints.**
- **Along with our partners- Research, Analyze, and Respond with the appropriate Police Resources.**
- **Feedback to Complainants.**

Safe Streets, Nice Neighbourhoods

In 2005 5 District officers took action

1,106

**times at various citizen traffic complaint locations
through out the district**

WE NEED YOU

- **85% of Collisions are driver error**
- **80% of violators live within 5 km of complaint**
- **Community take responsibility for road safety**
- **Change driver behaviour at the source**
- **Safer Streets & Nicer Neighbourhoods**

Thank You
