### Internal Applications:

Staff summarized the details outlined in the report relative to the proposal for a natural gas vehicle conversion.

The Committee discussed the following:

- Can these types of vehicles be purchased
- Estimated savings per year
- Should alternatives be considered
- How much more is an accelerated filling station

The Committee suggested deferring this proposal and set up a half hour meeting with Laurie Canning, Manager of Fleet and Supplies to respond to the various questions raised.

Moved by Councillor Valerie Burke  
Seconded by Regional Councillor Joe Li

That the funding application from Laurie Canning, Manager, Fleet and Supplies, for \$8,737, for a natural gas vehicle conversion, **be deferred.**

CARRIED

Staff summarized the details regarding the application for a portable water station.

There was brief discussion regarding the cost and it was suggested that if the funded amount could be used for more than one portable water station that should be considered.

Moved by Regional Councillor Joe Li  
Seconded by Councillor Valerie Burke

That the funding application from Eddy Wu, Manager, Operations and Maintenance, Waterworks, for \$5,000, for a portable water bottle fill-up station(s), be approved.
