

Artwork Proposal for Cornell Community Centre

Lower Level Mural

“A lush waterside garden, overflowing with opulent, fictitious flowers. This fantastical garden will be an striking display of forms, markings, groupings and textures.”

26'6" x 10'9"

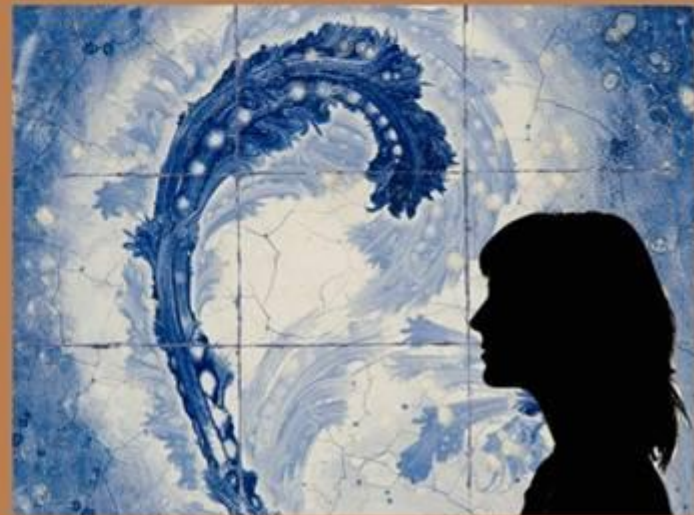

Upper Level Mural

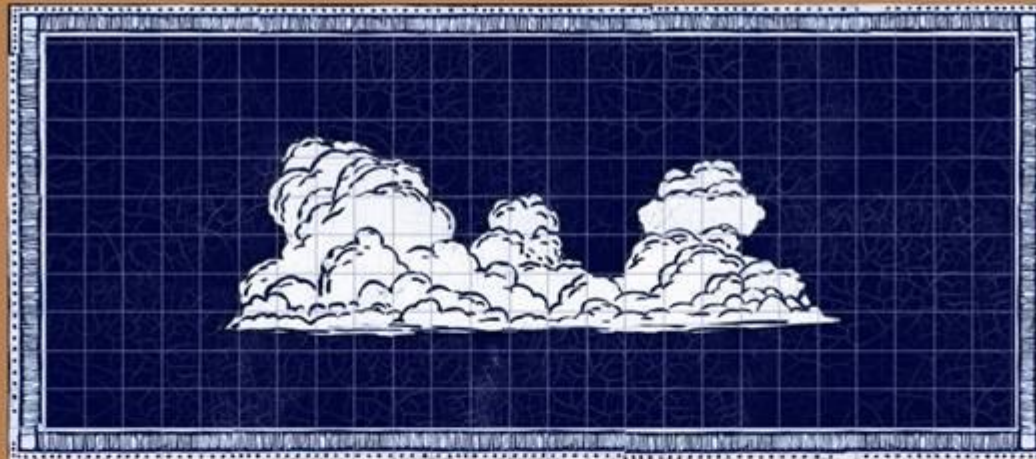

"A single cumulous cloud floating in a deep blue sky; a calm and tranquil scene."
26'6" x 11'8"

The preliminary paintings will be scaled up by approximately 500%. This illustration to the right shows how the brush strokes appear with a scale reference.

The illustration above shows one of the murals with another silhouette for comparison

The silhouettes of the garden and cloud will be harmonious, reinforcing the theme of reflection. While viewing one of the murals, the familiar silhouette will help to cue a memory of the other.

The Walls the Painted Tiles will Appear on
at the Cornell Community Centre
