It was recommended that the RBC visit the area prior to making a decision with respect to the location of the hockey activation zone.</p> <p>It was advised that RBC will need 2 tables for its booth at Millennium Park and that it will be using the tents provided by the RBC MMCF. 	<p>Staff will be seeking additional sponsorship opportunities for the festival. The Committee suggested contacting Scholastics and Honda to see if they are interested in sponsoring the event.</p> <p>There was a discussion on whether the Chinese Association should be permitted to have a vendor booth to promote its tutoring services, as Tutor Bright is a shuttle sponsor of the event. It was decided that although Tutor Bright is paying more as a sponsor of the event, it is also deriving greater benefits than a vendor. Additionally, the public benefits from the promotion of more than one tutoring service at the event. Andrea Conlon was requested to explain this to Tutor Bright.</p> <p>There was a discussion on how the jump from \$1,500 to \$2,500 for sponsorship of a children's zone was possibly too big of a jump from last year. Staff were considering reducing the sponsorship of the children's zone to \$2,000.</p> <p>It was questioned if there is a premium booth location that could be provided to sponsors. The area closest to the stage was thought to be a premium location for booths to be situated.</p> <p>It was noted that the Committee will review the price of the vendor booths for next year's event.</p> <p style="text-align: center;"><b>H. As this would help draw more of a crowd to the area.</p> <p>The following actions were assigned:</p>	<p>Explain to Tutor Bright why other tutoring services will be permitted to have a booth at the event – Andrea Conlon</p> <p>Review the price of vendor booths for next year's event – RBC MMCF Committee</p> <p>Prepare a site plan including Millennium Park and a site plan excluding Millennium Park – Operations SC</p> <p>Consider moving a larger attraction to Millennium Park – Operations SC</p> <p>Ensure all vendors will</p>
