**Presentation to Special General Committee Meeting** 

September 5, 2012

Martha Pettit, Acting City Clerk

(Referred to Council Workshop by General Committee on June 25, 2012)

## Introduction

- Council requested staff provide an update on the following accountability tools contained within the <u>Municipal Act</u>:
  - The Integrity Commissioner Position; &
  - The Lobbyist Registrar Position & Associated Registry System
- This presentation is on the Integrity Commissioner.

### Background

 The <u>Municipal Act</u> was amended in 2007 to address a number of issues largely resulting from the Bellamy (Toronto) & Sills (Waterloo) inquiries.

 The changes reflected growing public interest in ensuring greater accountability & transparency in municipal government administration.

# Background (Cont'd)

- The legislative amendments included the creation of a new Part 6 of the Act dealing solely with "Accountability & Transparency".
- Part 6 of Act now permits Ontario municipalities to:
  - 1. Appoint an Integrity Commissioner (IC)
  - 2. Establish a Code of Conduct for Members of Council & Local Boards
- Exception: <u>City of Toronto Act</u> mandates Toronto have an IC, Code of Conduct, Auditor General & Lobbyist Registrar.

## **Integrity Commissioner – General**

- The role of an IC is to perform, in an independent manner, any functions assigned by the municipality with respect to:
  - The application of a Code of Conduct for Members of Council &/or for Members of Local Boards; &
  - The application of any procedures, rules & policies of the municipality &/or of Local Boards governing the ethical behaviour of Members.
- An IC is *not* required to be a municipal employee.

# **Integrity Commissioner - General**

- Approximately 22 Ontario municipalities have appointed ICs including Toronto, Brampton, Richmond Hill & Vaughan (see Handout for complete list).
- IC appointments have taken 2 different forms: Part-Time (ex. Toronto) or Retainer (ex. Oakville).

## **Integrity Commissioner - Costs**

• The costs associated with the IC position vary depending on the type of appointment selected.

Municipality	Budget	Position Type
Richmond Hill	\$40,000 annual budget	Retainer
Kitchener	\$2,000 retainer \$150/hour	Retainer
Toronto	\$200,000 annual budget	Part time

**Towards a Sustainable Community** 

# Integrity Commissioner - Job Description

- Most IC job descriptions include:
  - 1. Provision of Advice;
  - 2. Complaint Investigation;
  - 3. Complaint Adjudication; &
  - 4. Education (Internal & External)

# Integrity Commissioner -Complaint Intake Process

- Complaints generally:
  - Are submitted to the Clerk in writing using a prescribed form;
  - Set-out the grounds for the complainants belief that a contravention has occurred;
  - Include a supporting affidavit that outlines the evidence in support of the complaint; &
  - $\checkmark$  Are forwarded to the IC by the Clerk.

## **IC Powers**

- In conducting inquiry, IC may exercise powers under <u>Public</u> <u>Inquiries Act</u>.
- The municipality & its local boards to give IC any information IC believes is necessary to conduct inquiry (ex. Accounts, Financial Records, Reports & Files).
- The IC is required to preserve secrecy with respect to all matters that come to his/her knowledge through the inquiry.

# IC Powers (Cont'd)

- If the IC has reasonable grounds to believe a contravention of any other Act/<u>Criminal Code</u> has occurred, they must refer the matter to the appropriate authorities.
- Should this occur, the IC must suspend inquiry until any resulting police investigation &/or charge(s) have been disposed of.
- The IC must report suspension of the inquiry to Council.

## **IC Reports**

- Upon completion of investigation, IC will produce a Report for the municipality.
- The Report will summarize alleged contravention(s) & provide the IC's opinion as to whether or not contravention(s) occurred.
- If contravention(s) occurred, the IC will make recommendations for reprimanding the Member of Council/Local Board involved.
- Council is not required to endorse the IC recommendations & may choose to not take any action.
- Once received by the municipality, IC Reports are public documents.

Towards a Sustainable Community

## **Code of Conduct**

- The <u>Municipal Act</u> now specifically allows Ontario municipalities to establish Codes of Conduct for Members of Council & Local Boards
- In accordance with Act, Codes can address:
  - Ethical behaviour of Members of Council & Local Boards;
  - Standards for appropriate interaction between Members of Council/Local Boards & municipal staff, residents & key stake holders; &
  - Appropriate use of Corporate resources.

## **Code of Conduct**

- Approximately 26 Ontario municipalities have adopted Codes of Conduct to-date including: Vaughan, Richmond Hill, Aurora, & Toronto (see Handout for full list).
- The format/content of Codes of Conduct differ across Ontario.
- Sample Codes of Conduct have been provided for information.

# Penalties for Violating Code of Conduct

• A municipality may impose either of the following penalties on a Member of Council or Local Board if IC determines that a contravention of the Code of Conduct has occurred:

-A reprimand; or

 Suspension of the remuneration paid to the Member for a period of up to 90 days.

# Penalties for Violating Code of Conduct (Cont'd)

- A summary of a notable IC decisions relative to Code of Conduct violations has been distributed via a Handout.
- 2 of the most notable are:
  - Township of West Lincoln Councillor's pay was suspended for 60 days for discreditable conduct.
  - City of Toronto Mayor ordered to reimburse donations solicited using City letterhead.

## Value of Code of Conduct

- Based on staff's research, it seems that Codes of Conduct have served municipalities well especially where: 1) an IC has been appointed; & 2) where the Codes have addressed Council Staff relations.
- Equally however, their absence has created confusion, misunderstanding & even distrust between & among the public, staff & municipal Councils.

# **Mississauga Judicial Inquiry**

- In 2009, Mississauga City Council adopted a resolution to appoint a judge to conduct an inquiry into 2 matters.
- Justice J. Douglas Cunningham was appointed as Commissioner to Inquiry.
- Inquiry Report <u>"Updating the Ethical</u> <u>Infrastructure"</u> makes several recommendations regarding the position of IC & municipal Codes of Conduct (summary provided in Handout).

# **Mississauga Judicial Inquiry**

- Inquiry made the following recommendations regarding the IC position:
  - 1. The <u>Municipal Act</u> must be changed such that the responsibility for maintaining personal impartiality does not rest entirely on the IC.
  - 2. The Act should be amended to include additional safeguards with respect to the Office of the IC such as a minimum term of appointment to provide security of tenure; & a requirement that municipalities indemnify the IC.

- While the powers of the IC are recognized in the <u>Municipal</u> <u>Act</u>, they are not in the <u>Municipal Conflict of Interest Act</u> (MCIA) – the MCIA should be amended to recognize the role of the IC to investigate & report on matters covered by the MCIA.
- 4. To enhance impartiality, an IC should NOT be a municipal employee.
- 5. An IC's tenure should be fixed in length, non-renewable & reasonably long (term of 5-7 years is appropriate).

- 6. The remuneration of an IC should be fixed at a reasonable cost to avoid concerns about undue influence.
- 7. Resources permitting, an IC should conduct educational outreach work with the public, & the development industry so they understand the municipal accountability regime.
- An IC should report publicly on complaints received as well as on advice provided. To encourage Members of Council & staff to seek advice from the IC, the names of those requesting advice should be removed from published reports.

- 9. The Province should require that, where a municipality has created the Office of the IC, the municipality must identify a source of funding in the event an inquiry is called by IC.
- 10. In order to assist smaller municipalities in avoiding the costs of maintaining their own Offices of the IC, a roster of ICs should be created through the Association of Municipalities of Ontario. ICs on this roster would be available on an on-call basis, & they would be funded accordingly.

- The inquiry made the following recommendation regarding Codes of Conduct:
  - The most well-intentioned Code of Conduct will not be effective without a proper enforcement regime – the IC plays a vital role in this regard.

### **Municipal Act Review**

- In December, 2011, the Association of Municipal Clerks, Managers & Treasurers on Ontario (AMCTO) made a submission to the Ministry of Municipal Affairs & Housing requesting they consider a number of "themes" for the 5 Year Review of the <u>Municipal Act.</u>
- One of the themes suggested was "enhancing the integrity of municipal governance".
- Under this theme, AMCTO urged the Province to:
  - 1. Give strong consideration to making municipal Codes of Conduct mandatory; &
  - 2. Carefully review the recommendation of the Mississauga Judicial Inquiry regarding ICs, etc. before proceeding with legislation in this area.

Towards a Sustainable Community

# **Concluding Remarks**

- Markham currently demonstrates accountability & transparency through providing a sound governance framework, comprised of a system of policies, procedures & practices, categorized as follows:
  - Legislated Requirements (i.e. fulfilling various legislative responsibilities as governed by provincial statutes such as the <u>Municipal Act, Planning Act</u> & the <u>Development Charges Act</u>)

2. Fiscal Accountability, Oversight & Reporting (i.e. <u>Annual</u> <u>Report/Budget Document</u>, Purchasing By-law, <u>External</u> <u>Auditor Opinion & Management Letter</u>, sound Financial <u>Policies & Procedures.</u>)

3. Performance Measurement & Reporting (<u>Annual Report</u>, Annual Departmental Business Plans, <u>Municipal</u> <u>Performance Management Program</u>)

Towards a Sustainable Community

- 3. Open Government (Public Distribution of <u>Council &</u> <u>Standing Committee Agendas & Reports</u> (including the posting of these documents on the Town's website; <u>Planning notice requirements</u> (including courtesy notices requirements); <u>Web-streaming of Council & Standing</u> <u>Committee Agendas</u>).
- 4. Employment Standards (Employment of Related Individuals; Use of Information Technology Policy)

5. Internal Accountability & Ethical Standards (Code of Ethics & Conduct for Town employees);

 This system is fully explained in Markham's <u>Accountability</u> <u>& Transparency Policy</u> available on the Intranet.

- With amendments to the <u>Municipal Act</u> in 2007, municipalities now have a number of legislative tools to ensure accountability & transparency in municipal operations.
- The public has increasingly come to view the existence (or not) of these tools as hallmarks of a transparent organization.

- There are currently no funds set aside in Markham's operating budget for an IC position.
- Should Council choose to move forward with implementing an IC position staff will submit this request as part of the 2013 Budget process.

### **Next Steps**

• Staff is seeking direction from Council on potential next steps with respect to:

- The Integrity Commissioner Position; &,
- A Code of Conduct.
