Subject: Petition to Appoint Khalid Usman as Councillor Ward 7

TO MAYOR AND COUNCIL MEMBERS OF CITY OF MARKHAM.

This is to request The Mayor and Council members to consider the wishes of the residents of Ward 7. We would like you to consider appointing the runner up in last election as an interim councillor so that we have a representative to represent us at the council. We understand under the law you must appoint a replacement for the balance of the period before election.

Ward 7 has many issues and we would like to have someone represent us at the Council and look after the needs of Ward 7. The runner up in last election was an experience councillor of Ward 7 that will not need any training or learning. He can start to function as a councillor from the day he gets appointed.

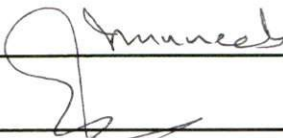

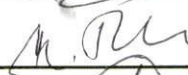

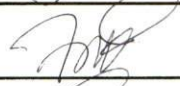

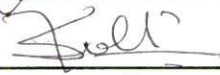

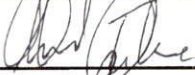

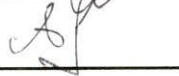

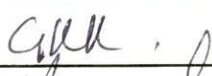

A petition is attached signed by 139 ward 7 residents.

Many thanks,

Mohsin Masood
