Subject: patio extension

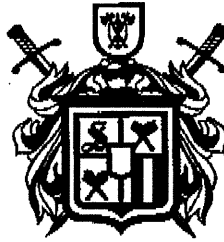

Good afternoon Lucy,

We are hoping to get approval for a patio extension for the Unionville Arms, for the Markham Jazz Festival. We would like to hold this event on August 19, 20, and 21st 2016. We will be serving alcohol from noon till mid-night. twelve hours per day. We will have the area cordoned off and have washrooms set up.

Please let me know what other information you need.

Thank you very much.

Please let me know if we need anything else. This will be similar to what "JAKES on MAIN" did on their patio at festival.. They've been doing this for years so I don't see any reason why we couldn't & trust this is sufficient -

Thank You
