Subject: Proclamation for UN Day Against Drug Abuse and Illicit Trafficking 2016

Dear Mayor Scarpitti,

It was great to see you at the York Regional Police Annual Fundraiser a couple of weeks ago.

To follow up on our conversation from that evening, I am sending you the request for the Markham City Council to proclaim June 26, 2016 as the United Nations' International Day Against Drug Abuse and Illicit Trafficking as celebrated in The City of Markham again this year.

Since 2009, the Drug-Free Marshals and the Foundation For a Drug-Free World volunteers have celebrated the United Nations International Day Against Drug Abuse and Illicit Trafficking at the Taste of Asia Festival in Markham and we look forward to this year's event. As we discussed, we also request that you present the proclamation from the stage with us as part of the Opening Ceremonies as you have for the last 7 years.

The proclamation from last year is attached for your reference. Please let me know if you or your staff have any questions. Thank you in advance for your assistance.

Sincerely,

Rev. Earl Smith
