Safety Measures & Monitoring

- Safety measures installed on Eureka Street to address residents concerns:
 - No parking on Eureka Street (except west side at Bank)
 - Signage installation
 - 3 way stop sign at Station Lane
 - Temporary speed reduction (40km/hr to 30km/hr)
 - Flagmen to assist trucks entering and exiting the site
 - Operations to improve winter snow clearing on Eureka Street and Station Land sidewalks
 - Temporary sidewalk on East side of Eureka Street north of Station lane
 - Truck driver education
- Engineering will monitor and adjust truck route as required to address issues as they arise
